CONTACT THE MEDITERRANEAN IN A SUSTAINABLE WAY

We will learn basic **sailing** onboard S/Y Aquarelle I (CW 44 (14m)), a racing boat that will make you feel the **magic** of sailing. We will know better the Mediterranean with a **marine biodiversity workshop** onboard, we will measure diverse seawater parameters and we will discover some of the microscopic **plankton secrets**.

Aquarelle I crew: Sailing instructor, Oceanographer and marine biologist.

From 9am to 5pm. Snack and lunch included.

EVERY WEEKEND

Promotion price: 115€. Minimum 4 people, maximum 7.

In case more or less people, please don't hesitate to contact us, we will find the way!
